

# ARTwork critique form

**Rules:** Give first impressions.

- Say what you see, not what you like or don't like.
- Do **not** judge.
- Describe, analyze, and interpret.

1. What stands out first?
2. Why did this make a first impression?
3. What else seems important?
4. What's important about your second observation?
5. How is contrast used?
6. What leads the eye? (Connections)
7. What style is used?
8. What seems to be hiding in the composition?
9. Why was this hidden?
10. Describe feelings & meaning.
11. What title could be given?
12. What are other observations?
